Final Note by the First Member of Council.

Subject:—

Levy of Local Cess in respect of Inam lands endowed to the Chamarajnagar Temple and crediting it to the Mysore District Board.

ıe Mysore District Board has claimed the local cess relating to the Inam villages endowed to the Sree Chamarajes waraswami Temple at Chamarajnagar. This temple has all alc appropriated the whole income from these villages and made n payment on account of local cess. In the case of Yelandur and Sringeri Jahgirs, the local cess collected therein is be ing treated as the revenue of the respective District Boards According to the Inam Settlement, local cess is payable by this temple on account of Devadaya villages endowed to it, b this claim has not been enforced so far.

The Muzrai Commissioner, who was consulted in t h e matter, is of opinion that the annual loss to the temple by requiring it to pay the cess will be about Rs 1,500/-. It is not possible to make an exception in favour of this institution and the District Board, Mysore, has to get this item of revenue. The Council accordingly resolved on 23rd March 195 that "the Local Cess may be collected on the recorded value of the lands and made over to the District Board". The resolution of the Council may be graciously approved. The payment may be required to be made from the current year. The claim need not be enforced with retrospective effect as it is not fair to do so and as the temple cannot also pass the levy
